WHY CAMEO?

We required a local consultancy to serve our requirements at our HQ. Cameo's approach was very professional from the start, they were keen to visit us and get to understand our organisational structure, meet key managers, spend some time with them to get a "feel" for their department and the type of candidates we were looking for.

Approach

CAMEO'S STYLE

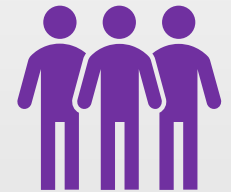

Very professional, strong attention to detail, keep to deadlines, provide high quality candidates, all the team good communicators, excellent customer service.
